

Mitosis and Meiosis Diagram

- I. Draw the chromosomes in the cell as it undergoes **Mitosis**:
- Using your notes and diagrams, complete the diagram including the following parts of the mitosis cycle, in the correct phase.
 - Chromosomes
 - Spindle fibers & Centrioles
 - Nucleus

II. Draw the chromosomes in the cell as it undergoes **Meiosis**:

- Using your notes and diagrams, complete the diagram including the following parts of the meiosis cycle, in the correct phase.
 - Chromosomes in homologous pairs (colored)
 - Spindle fibers
 - Nucleus
